

**IMPORTANT NOTICE**

**ATTENTION ALL OWNERS**

**CONCERNING VIEWING ACCESS TO MORNING WORKOUTS**

Due the ever growing numbers of new cases of Covid19, Great Canadian, the track operator, is suspending the front side viewing of training workouts, previously in place for Friday, Saturday and Sunday mornings.

As soon as a decision is made to reinstate the viewing of morning workouts, you will be updated.

Just a reminder also that owners are not allowed access to the back stretch area at anytime.

**STAY SAFE**
