

# **IMPORTANT ELECTION NOTICE**

## **Election Ballot Counting**

The election closed as of midnight last night, September 20, 2021.

Now the process is for the independent non-HBPA BC scrutineer to count the paper ballots and to verify the licensing status of those who voted who did not register with the HBPA and provide their license status. This process is done in concert with the Hastings Racecourse GPEB office.

It is expected to be completed by Friday, September 24 when the election results will be announced with a posting on our website and direct emails to all those who stood for election.
