

HBPA Member Registration Form

Dated: September 21, 2021

Prepared by: Neil Stajkowski, Secretary-Treasurer

Member Registration

While all Owners and Trainers who are licensed by the province's GPEB section, are members of HBPA BC, however, only by providing the registration details noted below can members be assured of keeping up to date with relevant matters. GPEB registration information is currently not shared with HBPA BC.

The registration process will be quite simple in that members will need to supply a copy of their current GPEB license along with their current mailing, email, and phone contact details. This can be dropped off at the GPEB office for Neil to pick up or emailed directly to Neil. A current valid license determines your membership. For ease, a form is available in this section that members may use for this purpose.

Membership rules are contained within the By-Laws that are posted on the website.
