

HBPA Annual General Meeting Registration Form

AGM Date and Time: Wednesday, November 3 beginning at 6:30 pm

AGM Registration Required

The 2021 AGM will be held electronically via Zoom.

Members can expect full participation even though they will not be there in person. You will be able to speak on any matters, as questions and vote on the items presented to vote. The process will be different; however, we expect it to be more inclusive.

Registration is required for two reasons.

1. Only those who register will be able to watch and participate in the meeting as the meeting link will be sent to only one email address.
2. Only those who register with full HBPA registration details (Full name and GPEB license details) will be allowed to vote when linked to the meeting.
3. If possible, please register a unique email address for each person, even if you are in the same household. In this way, it will be able to keep the voting separate. Otherwise, only one vote will be allowed even if the two of you are full members. We encourage each member to have a unique email address as this will be a main way to individually communicate. Email addresses are free to be added by most service providers (Shaw, Telus, etc.) and online email addresses are also free (Gmail, Hotmail, etc.)

Please complete and return this information via email or as a text.
