

“Everyone involved with the HBPA is deeply saddened to hear of the passing of CTHS BC President, Dave Bennington.

An accountant by trade, Dave bred and raced many horses for decades as Shamrock Racing Stable Ltd - including the multiple stakes winning Champion, Crazy Prophet.

Dave loved racing with a passion and gave generously of his time, expertise, and energy. Having attended many industry meetings with Dave over the years, I can attest to his diligence, dedication, and professionalism. He was a tireless advocate for the interests of BC Breeders who were absolutely well represented by his efforts.

Our sincere condolences go to Dave’s family, his fellow CTHS Directors, colleagues and his many friends and associates. He will be sorely missed.”
