Please be advised that effective January 1, 2024, the cost of TRPB Digital Tattoo™ Certification will be set to \$136/horse (plus GST).

For each association that has remitted payment to TRPB within 30 days of invoice issuance, you will receive a credit on the subsequent invoice of \$8.16/horse (plus GST) as a collection commission to help defer your administration costs.

The TRPB's core objective of the horse identification program is to provide a safe and secure means of equine identification at the racetrack on a timely and professional basis. The Digital Tattoo™ program launched in 2020 and has already proven to be a major success.

If you have any questions about the TRPB Horse Identification Program or this new rate, please contact Chris Neddo at 410.885.4690 / HorseID@trpb.com or myself at the number/email below and we will be pleased to respond.
