Voting and Voter Registration

To vote, **ALL** members need to be registered with the HBPA BC – as has been posted the past few weeks – on the HBPABC.ca website and click on the registration button under the elections tab and enter your information to be registered as a member of the HBPA BC. Each member is required to have a unique email address as this will be your contact point for electronic communication regarding the election.

Voting Process – Voting window open October 8-21, 2024

Those who are registered will be receiving electronic voting access through the email you used as part of your registration during the voting period. As registrations must be completed, voting access will be done in groups during the voting window to allow all registrants to vote, voting access is not automatic and direct with registration.

Voting issues:

- If you are registered by October 8, you will receive an email for electronic voting access by October 10.
- If you have not received voting access by October 11, email Neil at hbpaneils@gmail.com to confirm that you have registered and other information.
- Any other voting questions you may have can be sent via email to Neil at hbpaneils@gmail.com
